

RULES OF CLASSIC RACE

- 1) Width of ski is free
- 2) 76mm. free heels bindings are compulsory
- 3) For each gate not passed in a regular Telemark position a penalty of 1 second will be given.
3.1) For Telemark position is intended: the length of one boot must be between the tip of the rear boot and the heel of the front boot
- 4) The Telemark position must be kept till after the double red line indicating the free sections, otherwise a 1 second penalty will be given.
4.1) Free zones are the cross country sections and those sections joining the slalom sections or cross country ones.
- 5) Double blue lines show where Telemark position becomes compulsory again.
- 6) The change between one Telemark position and another must not be interrupted by a parallel position. In this case a 1 second penalty will be given.
- 7) A parallel position may be used between one gate and another, but the curve around the gate must be telemark otherwise a 1 second penalty will be given.
- 8) One red line after the jump will indicate the line women must pass not to get a 2 seconds penalty. Blue will be the colour for men, with same penalty in case the line is not passed.
For both women and men there will be a 3 seconds penalty in case the landing is not done in a Telemark position.
8.1) The lines are considered to be passed when the feet land after the line.

INSPECTION OF THE RUN

Inspection will start at 9.30 a.m. from the top of the quad chairlift SPONDA. All the competitors will come down with the responsible of the inspection (Luca Gasparini). Once at the jump everyone has to practice it. After the jump judge will decide where to put the red and blue lines.
Once the jump practice is finished the course inspection will go on to the finishing line

START OF THE RACE

Start of the race will be at 11.00 a.m. unless the snow conditions are too hard. In the last case the organization will postpone it Starts will be every 1 minute.

RESULTS

Official results will be given at 4.30 p.m. at the restaurant "Tea del Vidal" at the bottom of the Mottolino lift. Just over the accreditation office.
